## **How can Children improve their Personality?**

Your personality is not static and unchangeable. You can develop it for the better. By working on your weaknesses you can improve your personality.

So here are some tips for developing a good personality:-

The next time when you will meet a group of people, try engaging with them more. Introduce yourself to someone and have a conversation with them. Don't stay in the corner or play with your phone. Interact with people.

Plan your time management strategy and make it stronger day by day. Begin your days right. Every morning take time out to read something inspirational. Chalk out what you are going to do that day. Challenge yourself from time to time. Learn something new. Be creative. Do what you are passionate about. Take risks. Do not fear failure. And most important, develop a hobby.

**Define your area of excellence**

Define what you want to excel in and develop relevant skill sets. Maximize your time, energy, and resources to achieve the desired result. Work on your communication skills.

### **Be Optimistic.**

Learn to look at the future with positivity. Being optimistic will help you identify opportunities and work towards them.

Self-evaluation at regular intervals helps improve one's personality. Evaluate your skills and areas of improvement by asking yourself: Is your public speaking effective? Are your confidence levels high? Is your behaviour pleasant and co-operative? Start observing yourself, make notes, and identify the qualities you need to acquire.

Meeting new people is helpful in many ways. It widens your horizons. You get a chance to observe the good qualities of several dynamic personalities and learn different ways to behave and interact.

Read a lot. Read good books like inspirational books and the biographies of famous personalities.

Reading is good for your memory and eye sight.

### **Improve your body language.**

Many people think that communication is simply about what is being said and heard. This is not true. Nonverbal communication through body language and expressions makes a huge impact on others. Many times people use nonverbal cues without realizing it. However, it is possible to consciously improve one's use of body language. Having the right kind of body language is an important part of your personality development. It helps people to perceive you in a better light. Ensure that your standing and sitting position is upright. Make eye contact while speaking.

**So now its your turn, follow these tips and become a great personality.**

## Know About RBI

RBI is India's Central Bank. Every country has its own Central Bank. The US has Federal Reserve Bank (FED) and England has Bank of England (BOE) while the whole of Europe has European Central Bank (ECB). Simply put the role of a Central Bank is to monitor a country's economy and stabilize it by using its various policies. A Central Bank acts like an adviser to the Government on issues related to the economy. As opposed to popular belief, the RBI is NOT controlled by the Government but instead it works as an independent institution.

## Structure of the RBI

The RBI was founded in 1935 to tackle the economic difficulties arising in British ruled India after the First World War. Since then it has undergone a lot of changes in its organizational structure. Currently, the RBI consists of a central board of directors that overlooks its functioning.

The board of directors is formed of 21 members:

**Governor** – appointed by the Government for a 4 year term

**Deputy Governors** – up to 4

**Executive Directors** – nominated from various fields and regions and also 2 directors nominated by the Government from the Ministry of Finance.

## होली

रंगों की फुहार लेकर आई होली  
खुशियों की बौछार लेकर आई होली  
शीत ऋतु को विदा कराके  
गर्मी को संग लाई होली  
रंग एअबीर लेकर पिचकारी  
सबको रंगने आई होली  
मन में बसे दुर्भाव मिटाकर  
गले लगाने आई होली  
दादा दादी नाना नानी

### **Girl Power**

**Beauty is not having a**

**-Pretty face**

**It's about having a**

**-Pretty mind, heart and soul.**

**Girl power is the ability of a Girl to make positive changes within the workplace and drawing upon the past experiences and challenges to help those around you. This is the definition of girl power to which nobody gives importance to. But apart from this, Do we really understand what girl power is? Are girls really respected? If girls are equally important as boys then why girl education is limited to a degree and boys as upcoming doctors and engineers? In some patriarchal societies, girls are not allowed to dream But Dream does not has any Gender. Why girls are considered as weak and boys as strong? And for her going out of the house is like entering a talent show and all judgements have been made her to grow. I often wonder that how strange it is that birth of a girl in one family is regarded as birth of Goddess while in other family is regarded as curse. How can the Goddess whom you pray and ask for mercy can be a Curse? If you imagine a world without Her, doesn't your existence go blur? At the end, I want to say that do not give reaction after reading this but do make an action so that atleast one girl around you can fly as high she wants.**

## **Let's cherish for 2021**

In every situations there are two types of people- •Optimistic

### **•Pessimistic**

Optimistic who always sees the positive part of each and every situation and pessimistic who is always negative, even in positive situations as well..

So let's pledge first to be an optimist in this pandemic and ignoring the half empty glass. Let's concentrate on the half glass full of water. There's no need to recollect all those sufferings during the pandemic but it's time to nurture all those precious moments we've spent with our family for the very first time.

Life throws you curves but you learn to swerve "No one is really prepared for God's greater plans, but we figure it out, taking it one day at a time...

Now in the situation in which we all are it's the time to change the changeable and accept the unchangeable. We may not be able to see it in the moment , but everything happens for a reason....May be mother Earth need this time in order to replenish herself and gave us this time to enhance our realtions with family and friends..

Forgetting all those pains let's keep our chin up as everything will work out just fine and we aren't alone the whole world is parallel to us.

Be happy and stay safe.

## क्या वेशभूषा के आधार पर व्यक्ति की पहचान संभव है?

मेरे विचार से व्यक्ति की पहचान उसके कार्यों और शिष्टाचार से होती है न कि उसकी वेशभूषा से। हम सभी बड़ों से सुनते आए हैं कि हमें सादा जीवन व्यतीत करना चाहिए लेकिन विचार ऊंचे रखने चाहिए। हमें हमेशा उस व्यक्ति के साथ रहना चाहिए जिसमें अच्छे संस्कार हों ना कि उसके जो दिखावा करता हो। जिस प्रकार यदि हम सोने के कलश में शराब भर दें तो सज्जन लोग उसकी निंदा ही करेंगे। इसलिए व्यक्ति को अपने कपड़े और मानसिकता दोनों ही स्वच्छ रखने चाहिए। व्यक्ति चाहे जितने महंगे कपड़े पहन ले लेकिन यदि उसके कार्य निम्न कोटि के हैं तो समाज में कोई भी उसकी प्रशंसा नहीं करेगा। जिस प्रकार महात्मा गांधी जी ने सादगी से भरा हुआ जीवन व्यतीत किया जिस कारण वह आज हमारे बीच ना होते हुए भी लोगों के दिलों में जिंदा हैं। मिसाइल मैन डॉक्टर अब्दुल कलाम भी इसी श्रेणी में आते हैं। इतने ऊंचे पद पर रहकर भी हमेशा सादा जीवन ही जिया। इसलिए हमें भी कभी किसी का वेशभूषा के आधार पर मूल्यांकन नहीं करना चाहिए। क्योंकि वेशभूषा की चमक बहुत जल्दी फीकी पड़ जाती है हमारे साथ हमारे कार्य जाते हैं इसलिए हमें अच्छे कार्य करने चाहिए और अपने जीवन में ऐसे ही व्यक्तियों का चयन करना चाहिए।
